Estate Recovery Awareness: MassHealth (Medicaid) is required by federal law to recover money from the estates of certain MassHealth (Medicaid) members who are age 55 years or older, and who are any age and are receiving long-term care in a nursing home or other medical institution. For more information about MassHealth (Medicaid) estate recovery, please visit www.mass.gov/estaterecovery.

CCA Senior Care Options (HMO D-SNP) is a Coordinated Care plan with a Medicare contract and a contract with the Commonwealth of Massachusetts Medicaid program. Enrollment in the plan depends on the plan’s contract renewal with Medicare.

D2. Changes to drug coverage

Changes to our *Drug List*

An updated *List of Covered Drugs* is located on our website at www.ccama.org. You may also call Member Services at the numbers at the bottom of the page for updated drug information or to ask us to mail you a *List of Covered Drugs*.

The *List of Covered Drugs* is also called the *Drug List*.

We made changes to our *Drug List*, which could include removing or adding drugs, changing drugs we cover and changes to the restrictions that apply to our coverage for certain drugs.

Review the *Drug List* to **make sure your drugs will be covered next year** and to find out if there are any restrictions.

If you have questions, please call CCA Senior Care Options (HMO D-SNP) at 866-610-2273, (TTY 711) 8 am to 8 pm, 7 days a week. The call is free. **For more information**, visit www.ccama.org.

Most of the changes in the *Drug List* are new for the beginning of each year. However, we might make other changes as allowed by Medicare and/or the state that will affect you during the calendar year. We update our online *Drug List* at least monthly to provide the most up to date list of drugs. If we make a change that will affect a drug you're taking, we'll send you a notice about the change.

If you're affected by a change in drug coverage, we encourage you to:

- Work with your doctor (or other prescriber) to find a different drug that we cover.
 - You can call Member Services at the numbers at the bottom of the page or contact your care coordinator to ask for a *List of Covered Drugs* that treat the same condition.
 - This list can help your provider find a covered drug that might work for you.
- Work with your doctor (or other prescriber) and ask us to make an exception to cover the drug.
 - You can ask for an exception before next year, and we'll give you an answer within 72 hours after we get your request (or your prescriber's supporting statement).
 - To learn what you must do to ask for an exception, refer to **Chapter 9** of your *Member Handbook* or call Member Services at the numbers at the bottom of the page.
 - If you need help asking for an exception, contact Member Services or your care coordinator. Refer to **Chapters 2 and 3** of your *Member Handbook* to learn more about how to contact your care coordinator.
- Ask us to cover a temporary supply of the drug.
 - In some situations, we cover a **temporary** supply of the drug during the first 90 days of the calendar year.
 - This temporary supply is for up to 31 days. (To learn more about when you can get a temporary supply and how to ask for one, refer to **Chapter 5** of your *Member Handbook*.)
 - When you get a temporary supply of a drug, talk with your doctor about what to do when your temporary supply runs out. You can either switch to a different drug our plan covers or ask us to make an exception for you and cover your current drug.

Formulary exceptions are usually valid for 12 months from the approval date unless the prescription is written for shorter amounts of time and/or shorter approval duration is noted in the approval letter. Current formulary exceptions will still be covered through the approval end date.

Deeming Period (This section is continued on the next page)	If you lose eligibility for MassHealth (Medicaid) benefits, CCA Senior Care Options (HMO D-SNP) will continue to provide care as long as you can reasonably be expected to regain your MassHealth (Medicaid) coverage within one month. We will continue your membership for the remainder of the month in which we receive notification from MassHealth (Medicaid) about your loss of eligibility, along with one additional calendar month. If you regain your MassHealth (Medicaid) coverage during this period, we will not end your membership.	If you lose MassHealth (Medicaid) eligibility but can be expected to regain it within one month, we will continue to provide all Medicare Advantage plan-covered Medicare benefits during this one-month period. However, during this time where Medicaid eligibility has been lost, we will not continue to cover MassHealth (Medicaid) benefits that are included under the applicable Medicaid State Plan, nor will we pay the Medicare premiums or cost sharing for which the state would otherwise be liable had you not lost your Medicaid eligibility. Medicare cost-sharing amounts for Medicare basic and supplemental benefits do not change during this period.

Deeming Period (Continued)		If you regain your Medicaid eligibility during this one-month period, then you are still eligible for our plan and all Medicaid benefits, including state coverage of Medicare premiums and cost sharing will resume starting the first month in which Medicaid coverage has been restored. If you do not regain your MassHealth eligibility during this one-month period, you will be disenrolled from CCA's plan.
